

## Enrollment Agreement

The undersigned hereby enrolls in the 13-week Stock Trading class offered by Stock Trading School LLC and taught by Tony Oz. This event takes place via web conferencing software on specific dates as stated in the class schedule. The tuition fee before scholarships and discounts is \$6,995.

I understand that the course of instruction will educate me as to short-term stock trading strategies for my own account. I understand that this course is not preparation for a career as a brokerage industry professional. I understand that Stock Trading School may terminate my participation in the course at any time, in its sole discretion. If Stock Trading School makes such a determination, it will promptly and fully refund my tuition. I understand that neither Stock Trading School, Tony Oz, the taking of the seminar, nor any brokerage firm at which I open a trading account can offer any assurance that my trading will result in profits. I understand that any capital that I allocate to trading after taking this seminar may be lost in its entirety. I understand that I will be taught short term trading strategies, but will not be given specific recommendation as to particular stocks to trade at any particular time. All trades that I execute during this course and following this course would be at my own risk. I take full responsibility and liability for all my trading following the seminar. I waive all liability of any kind from Stock Trading School and/or Tony Oz as a result of attending this event.

Stock Trading School and Tony Oz are not registered investment advisors and none of the information presented in the event is to be construed as individual investing or trading advice. I understand that trading of securities may not be suitable for me. Both day trading stocks and investing in the stock market in general have large potential risks involved in which I can lose all my money. I, and not Stock Trading School or Tony Oz, am solely responsible for any losses, financial or otherwise, as a result of trading securities during and following the seminar. Past performance is not indicative of future results.

SIMULATED TRADING PROGRAMS IN GENERAL ARE ALSO SUBJECT TO THE FACT THAT THEY ARE DESIGNED WITH THE BENEFIT OF HINDSIGHT. NO REPRESENTATION IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFIT OR LOSSES SIMILAR TO THOSE SHOWN. NO PROFITABILITY CLAIMS NOR PROMISES OF ANY KIND ARE BEING MADE NOR IMPLIED. ALL TRADING IS RISKY. CONSULT WITH A REGISTERED INVESTMENT ADVISOR BEFORE TRADING.

Under all circumstances, I, \_\_\_\_\_, and not Stock Trading School or Tony Oz, assume the entire cost and all risks involved with trading any stocks, options, futures and currencies following the seminar.
